HEALTH OFFICER'S REPORT

INFANT WELFARE

Under the State Board of Health, division of Maternity, Infancy and Child Hygiene, routine home calls were made to all new born infants, and children of pre-school age, under the supervision of Miss Elizabeth Carriel, State Public Health Nurse in Cheshire County. In addition to the routine work of the division, a Child Health conference was held at the Community House. At the conference 32 children were weighed and given a complete physical examination by an attending Physician. Of these Children examined 26 were found with defects while the remaining 6 were found without defects. At the same clinic 15 children were given the immunization treatment against diphtheria. The purpose of the clinic is to prevent illness, therefore children should be registered at an early age. Proper supervision of the young child is very important, so as to detect and correct if possible physical defects as early as possible in the child's life.

Five houses were posted for Measles. Four septic tanks were installed by Cottage Owners. Two drains were moved and septic tanks installed. Sewage at the Hotel near the Lake was some improved.

At the Town Meeting, March, 1935, it was voted to license Milk Dealers, also for inspection of Dairies that sold Milk in Town. Mr. Eckloff, a State Inspector from Concord, N. H., spent several days in Town with the Health Officer inspecting dairies. He recommended some improvements which should be attended to before licenses are issued next year. Thirty licenses were issued, nine of these were issued to buy and sell

milk for two dollars each as follows: C. J. Fossey, Harry Nosek, George E. Joslin, William R. Manch, John Beliveau, John Redding, Byron A. Davis, Henry C. Chickering, Windham County Co-operative Milk Producers, Inc., Brattleboro, Vermont.

HAROLD E. RANDALL,
Health Officer.

REPORT OF FIREWARDS

The West Chesterfield company responded to seven chimney fire calls and eight brush, grass and forest fires and the Center engine had eight chimney fires, one house fire and six brush, grass or forest fires.

There were no serious building fires in the past year. The school house fire that occurred Nov. 18 was discovered in time to prevent the loss of the center school. About one hundred dollars damage was done. A chimney fire at George Eager's occurred at 5:30 A. M. on Jan. 24 and some damage was incurred when the fire started in the partitions around the chimney.

All the grass and brush fires were minor with the exception of the Fisk fire which was fought for three days using both outfits and laying all hose.

We bought 150 feet of 1½" hose and 150 feet of booster hose for the center outfit. Also one soda-acid extinguisher.

We have placed before the Budget Committee the vital necessity of building a fire house in the west part of the town and have received their approval. We trust that the voters will give this the most serious consideration.

Respectfully submitted,
HAROLD W. INGALLS,
Chairman.

SELECTMEN OF CHESTERFIELD,

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chesterfield:

I herein submit my third annual report as superintendent of schools.

It seems right and proper to utilize a little space in this report to bring before the parents and citizens some of the objectives of the public school system today: (1) To develop a sound mind in a strong and healthy body. (2) To develop the ability to read and write, to think and put that thought into action. During the year we have tried not only to teach the mechanics of reading but also the getting of the thought from the printed page and then expressing it in an effective way to the listener. That is we are emphasizing more oral reading. (3) We recognize the need of more effective teaching of technical grammar as well as the use of correct expressions in the Mother tongue. (4) The use of leisure time for worthy activities and pleasures. (5) The development of a fine spiritual character that is trusted and admired.

To the development of these objectives and others not mentioned we invite your cooperation, support and suggestions.

PROMOTIONS

The following numbers of promotions in respective grades were made in June:

Grades	I	II	III	IV	V	VI	VII	VIII
Spofford Primary,	3	4	2	5				
Spofford Grammar,					10	3	7	3
Chesterfield Primary,	3	5	5	6

West Chesterfield Primary,	4	9	7	10				
West Chesterfield Grammar,					4	5	3	2
Totals,	10	18	14	21	18	16	13	14

These promotions were made on the following points: regularity of attendance, term rank, standard tests and examinations given by teachers.

Metropolitan Achievement tests were given; one at mid-year and one in June.

The Otis Standard Graduation examination for elementary school was given to the eighth grade.

With few exceptions the pupils maintained the standards of their respective grades and some excelled them.

GRADUATION

The three grammar schools of the town united in their graduation exercises which were held at the Chesterfield Village Town Hall on the evening of June 13th. Fourteen pupils were graduated. The literary parts were interesting and well given. The exercises and drills reflected credit on teachers and pupils.

The following pupils received diplomas: Basil Aldrich, Esther Anderson, Herbert Armstrong, Constance B. Cobleigh, Fred C. Humphrey, Harold Lynch, Cecil Merrifield, Thelma M. Murphy, Arline Mae Mutter, Peter Gordon Plante, Louise Rowe, Stanley L. Spaulding, Eleanor Barbara Stratton, and Sadie Whorfe.

HEALTH ACTIVITIES

At the time of writing, no state or federal aid having been received, the program of hot lunches, milk, etc. has been limited to the town appropriation. For further details of health activities, I refer you to Miss Edgett's report.

MINOR REPAIRS

Numerous minor improvements were made in three school houses. The interiors of Village and West school houses were painted, new slate blackboards installed at the Village primary room, and a new teacher's desk and four pupils' desks at the West school house.

In conclusion, I wish to thank the school board, teachers and parents for their cooperation and support.

Respectfully submitted,
FREDERICK T. JOHNSON,
Superintendent of Schools.

One tonsil case was treated privately.
